I \_\_\_\_\_ wish to apply to the Abbey Medieval Festival for a Media Pass for:

Saturday 12<sup>th</sup> July 2008.

Sunday 13<sup>th</sup> July 2008.

**If I am granted a pass, I agree to the following terms and conditions:-**

1. I will report to the Media Liaison officer, Suesann Vos;
2. I will wear the “media tabard”, supplied by the Media Liaison officer and will display my media pass as identification at all times;
3. I understand and accept that this media pass allows me to enter the area between the two protection barriers around any performance area for the sole purpose of taking photographs and/or footage;
4. I also agree to comply with the condition of entry to the tournament as well as adhere to the AMF Health and Safety Policy;
5. **I will not at any time enter the inner area of any performance area whilst a performance is under way;**
6. At all times I will be sensitive to the need of the public’s viewing the performance/display, and if instructed to move by a member of the tournament’s Security and Safety Team or a Tournament Marshal, I will do so;

7. I agree to forward to the Media Liaison officer a copy of all editorial/copy/photographic/footage of coverage received by the 10th August 2008, all print media coverage must be submitted in printed format, all digital media supplied on disc.
8. While the tournament and Media Liaison Officer adhere to the principles of copyright law, I agree and acknowledge that the Tournament Committee strictly prohibits the sale of still or video images by my agent, or myself unless permitted in writing by the Media Liaison officer or his designee. This is to ensure that the images or footage are not used in a manner which could bring/show the Abbey Museum/Abbey Medieval Tournament into disrepute.

The number of Media Passes available are limited. Completion of this application does not guarantee the provision of a "Media Pass".

(Please note: the Castle battlements are **OUT OF BOUNDS** to all media, photographers and film crew)
